DECLARATION

I, Arnaud Bonnans, French Patent Agent and European Patent Attorney, declare that I have been informed by my client, Oberthur Card Systems SA, and specifically by its employee Mrs. Bidy Chetrit, that it has been unable to obtain the signature by Mr Christophe Louis of the declaration and power of attorney document and of the assignment document relating to the US patent application deriving from the international patent application No. PCT/FR03/03/257.

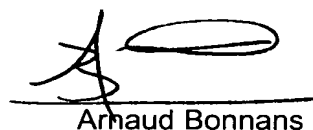

I further declare that I have therefore sent to Mr. Christophe Louis, residing at 28, allée du Pré Lambesc, 91190 Gif sur Yvette, France, via registered mail – return receipt requested – a letter dated April 27th, 2006, a copy and a translation of which I attach hereto, enclosing the above documents together with a copy of the above international application and requesting signature and return of said above documents on or before May 19, 2006.

I further declare that on May 2nd, 2006, we received the return receipt of the registered mail signed in the space reserved for the addressee's signature.

I further declare that to my knowledge no reply to the attached letter has been received to date.

And I further declare that all statements made herein of my own knowledge are true and that all statements made of information and belief are believed to be true; and further that these statements were made with the knowledge that wilful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code and that such wilful false statements may jeopardize the validity of the application or any patent issuing thereon.

Done in Paris, this 13th of June 2006
